Do you know the  
good old saying  
that even straw  
has its  
perfect partner?

Oh, I  
don't what?  
What does?

Everyone has  
their special  
partner if you  
can find it.

Standard?

In other words,  
love is completely  
optional for  
everyone.

When someone  
is single, it's that  
his standards  
are so high or

or he doesn't  
want to get into  
relationships or  
he is too busy to  
do it.

So it's no wonder  
that you can find  
plenty of guys to go  
out with.

- Since -

You take  
my guys. You  
don't need those  
standards.

I am not  
young.

Is that  
so?

who asks that kind of question suddenly

And...

Could I wonder  
that after we are  
through that I  
am kind of  
fed up

All  
endless and  
more.

I am  
confused

Maybe I  
need  
breakers!

Do you always  
pick on Helen

Or there

### Summary of research on the family

It should be noted that the  
the theory must be  
is possible

1999

Well, I am someone who can see what I don't need to see.

This is "gift" of none ..

Has never been beneficial

It's not like I'm a  
bad person

I'm just a  
little bit  
different

Thinking  
about  
it

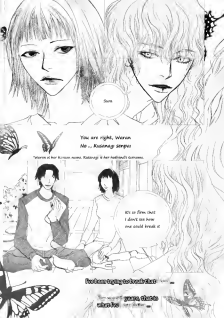

I can't  
do  
these things

What?

You mean the  
faded red string  
that connects  
hearts through  
death?

It's pretty  
faded

Is there  
anything  
left?  
No

Love

You are right, Watanabe  
Mito is Katsuragi's sister

Watanabe is her Katsuragi's sister, Katsuragi is her Katsuragi's sister.

It's so fine that  
I don't see how  
we could break it

Nothing's going to break that

The world's your choice  
choice

We enjoy your  
love together for  
a very, very, very  
long time, you know ...

We love  
you

Love

Love

Love

Love

Love

Love

I have been  
able to see it  
clear suddenly.

"The string of  
fate"

Therefore,  
it was easy  
for me to  
predict outcomes  
of relationships.

That couple  
will break up  
soon.

Yes, that couple  
could last for  
a while.

Oh, yes,  
that couple  
is right.

Good for them.  
They won't break  
up until death.

When my  
parents  
divorced, it  
did not shock  
me at all.

Coming  
with me  
aren't you?

Of course  
yes.

Their  
strings  
were  
never  
connected.

How about  
mine  
then?

Thank  
you, you  
are strong  
and so  
are we.

You always  
have...

Following my  
own strong  
to the point  
it's not so  
it's not so.

Sometimes  
a woman  
would  
stop on it

Or

It could go  
around  
corner.

Sometimes  
women would  
turn round  
round world

Or even  
world ...

However

I've never seen  
a woman who had  
my string in her  
pinkie finger

Or

And whenever I found  
women of my kind ...

They were  
always taken.

So, the world is full of people who are  
 looking for a way to live.

They may refuse  
 to believe, but  
 their dream were  
 the most firm.

Strong  
 Time then.

Just like your  
 own, in my  
 ancient life.

Life are not?

Can you  
 answer  
 them.

You wanted to  
 break it up now.  
 You wanted to.

Should I ?

Cherry Lane

Magically Immortal Restaurant

There is none

That's the first restaurant that gets disturbed the least

Did something  
happen?

Why did you go  
home alone?

Drinking into my  
cups without my  
consent. What a  
way to go.

And you have  
your key still  
on. Someone-  
did something  
happen?

You see,  
I feel strong  
like a man with  
a little withers  
on his side.

How  
about?

It was... half.

Why does he have  
only half of his body?  
It scared the hell outta  
me!

Oh, my, my ~  
I guess my  
stomach must  
get scared?

She is not showing  
up, is she?

You won't gain anything  
from this.  
You've got a long way  
to go with Rukia.

I guess I was really a  
pure laugh.

Shall I speak  
a poem?

You're so cute.

You're so cute.

I am a student

And you are a  
teacher

Korean,  
year 2000.

Oh, it

A Korean movie  
"Teacher" from 2000.  
The original phrase  
was "I am a teacher  
and you are a student"

I taught myself  
Korean through  
studying Korean  
drama and movies  
on my own

What are  
you talking  
about?

Stop joking  
around.

I am not  
joking  
around.

Romance is needed

Even at  
educational  
institutions

It's more like  
that way.

Do you not like  
dating teachers?

*I seriously hope that  
you are not fooling

*Why ... do you  
wonder that I am  
fooling around ?*

Shikata ... you  
are always smiling

well ...

and ...

Ah ...  
Katsuge  
sister ...

Good morning  
Katsuge sister ...

Shiga ...

The class is  
about to start

Wait for me -  
I don't have  
a class in the  
morning

Oh no, you can  
skip off if  
you don't  
have  
classes ?

Yep ...

Oh, wow !  
Real cool  
teacher ...

Ah ...  
why ?

What's with it?

And you speak perfect  
Korean. Why were you  
speaking Korean, actually,  
in front of students,  
especially girls?

You noticed?  
But that's  
none...

Calls - Calls -  
Haha, you calls.  
Again, huh?

Remember?  
I got it. You are  
a high level!

The perfect being  
is not here!

It's always better  
to use advantage  
when you can.

Since I am a Japanese,  
I will speak a little  
more.

See? This is  
what I mean.

And?

You are playing.  
You take nothing  
too seriously and  
are always playing.

You are always  
smiling and playing.  
How can I trust you  
when you act like  
this?

100%

That is because  
I am an adult.

The reason  
I hate every  
thing...

very playfully is  
because I am an adult...

Oh?

Strange.

Not really.

What is it about you?

Why  
do I look so sad...

Wanda doesn't smile?

to be honest...

Sheep... what?

From the Sheep

Well hang !  
I've got to run now !

As I said, I don't  
have about the  
nothing  
Good to be  
adults but

You are not  
adult !

Well, huh,  
cannot me.

Love at first  
sight.

I've been looking  
at you ever in  
secret

I saw that  
It was him...

Have you heard  
about the string  
of late?

花の陰あかの他人はなかりけり

*His face is a stranger  
under flowers  
(rough translation  
of the poem.)*

The reason I talked to her was because  
she was pretty

Especially I liked her short.

No, well, um,  
why don't you  
get to know  
each other a little  
bit

Aww, don't look  
at me like that  
Don't ruin your  
pretty face

Why don't you  
talk over to it, huh?

Is that what I  
do through.

Oh?

How many times  
do you have?

Right  
about  
now

Oh?

Do you intend to  
waste your life  
like that?

No... it was her eyes, the glare

The firm glare...

Oh?

*What must I do ...*

*In order for you to believe me that I am serious ...*

And when you called me by my first name for the first time ...

*You were about for a moment, looking as if you made a mistake.*

*Such a boring reply, but that was you.*

You know how I felt about you.

Didn't you ?

What a mean and cruel woman.

But well ... that's you, I guess.

This is Katsuragi

She told you

I think I may really

Relationships are  
completely opened  
it's all about choices.

When someone  
remains silent for a long  
time.

It's either that he is  
really not interested in  
relationships or it has  
long to maintain me.

And for someone who has no standards and without any man, she was the one at the first sight.

What you are going through is perfectly normal.

My standard is low?

Anyway, I am leaving.

Oh? Oh, okay.

Is that your point?

You can't change.

Did he

Did he try hard

No... I don't

You made me

That...

Why do you  
look

What?  
In way?

I was telling you.  
You looked like you

Even if he  
wasn't serious.  
I thought it  
might be fun  
if it did happen.  
There, all.

"Might he then?"

Well, it might be fun  
because that'd mean  
he's in good  
luck. I've never seen him  
good. I'd do anything  
to see him good.

So, what are you two? Not a couple, you show them what?

We've seen everything.

We took walks together when we were little, but were completely ruined.

Ah, that...

After I played with her thing, he never showed it again to me.

Hey...

Oh, right... do you do not the very first memory I can remember?

Yeah...

So ugly!

You look pale

very old?

Yes! They  
are very old

I did propose to

I thought you  
two were just  
a couple?!

Now that  
you mention  
it...

We are not,  
it wasn't  
anything  
serious.

And?

Why do I...

Have to  
do this?

Have to marry you?!

Well it doesn't

I am not at

that you will marry

Strong

I am not saying  
I will be single  
forever.

Then what did  
you say that for?

What  
I am  
saying is

I will marry  
another girl  
but not you.

Do you think  
I am your  
strong man?

You're better

ANIMED WORLD

You know, it's like family. You feel comfortable being around them.

them, it doesn't feel  
good to talk about  
another guy even if  
you don't see him as  
a potential mate.

Oh? But you started  
the topic and  
"potential mate"?  
Come on, he's just  
a friend.

Well, I am  
positive...

Oh?

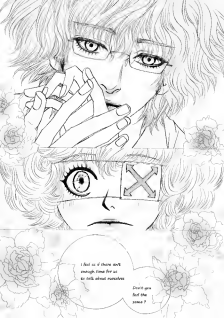

Maybe someone,  
I have this much  
to lose.

I miss you always,  
always.

Oh?

I feel as if there isn't  
enough time for us  
to talk about ourselves

Don't you  
feel the  
same?

What have you  
learned from  
all these books?

One thing seems to  
be quite clear:  
All these "great"  
people think very  
little.

Oh, my!

Even though  
I don't want  
to mention  
you.

Anyway, this at least  
tells things you have?

The man is on the left, wearing a dark jacket with a white collar and a tie. The woman is on the right, wearing a light-colored jacket and a dark tie. They are both looking down at their hands, which are clasped together on the bench.

You must want him  
to come here.  
You must have a  
reason.

Of course, you must  
want your straight  
hair to lure him.  
He falls for that.  
Every single time.

Isn't you  
knew I

know.  
Father + I knew  
you to look like  
this with long  
hair.

That is not  
a nice way  
to put it.

"Good  
bye" I

Oh, really? I  
a distinct sense  
humility.

The man's face is on the left, looking down with a sad expression. The woman's face is on the right, looking down with a sad expression.

Simple, as if  
I'd believe you.

The shape is dark and jagged, resembling a large, dark, abstract shape or a large, dark, abstract shape.

Anyway,  
had the girl met  
her fated man?  
Ha-Da, I mean.

I can change that  
for you at any time  
if you simply tell me.

Anything for  
you, my dear  
son.

Oh, well

She is going to  
begin with.

Please don't  
swindle in  
my face.

I guess I am  
too early.

I guess you can  
still take it. -

That will give  
me a little bit  
more of it

I will never let you  
do help me again.  
That's for sure.

Spending a morning  
night ...

Please, not with  
like a child ...  
You are no longer.

without her ...

A black and white illustration of a courtyard. In the background is a multi-story building with many windows. In the foreground, a group of people are sitting on a long wooden bench. The scene is framed by a large, light-colored oval shape in the upper center, which contains text.

You are from my  
womb. Don't you forget  
that, son.

You look like  
a cat, do you  
realize that?

Going on  
a date?

You started  
out? Book?

Date has only  
at school. You  
are starting to  
not like a real  
idea.

I CAN NOT!

Your age  
patch?

Ah,  
that?

That's okay,  
I am used to him  
being half.

What?

I know why  
he is half, too.

It's always  
brandy. That's  
why.

Right?

All I have to  
do is to be  
his half.

Right?

I will be very, very,  
busy today. I will be  
studying numbers,  
fractions, and so on.

It's been a long time  
I've dressed up like  
this. I am not going to  
waste the look by using  
the porch.

Hey, but ...

It's going to be alright,  
I will come home late  
tonight, to make  
excuse for my parents.  
Goodbye  
my girl.

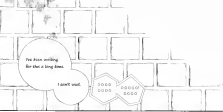

You're  
better wear  
it still.

Yeah, I

For arrived.

Is that a  
way I'm looking  
at you?

Did you -  
just say  
"Kakigori"?

「おはよう、ア  
キちゃん」

「おはよう、ア  
キちゃん」

行く我にととまる汝に秋二つ

"Karakara"  
smiles from  
I can't translate  
it properly."

No way !

간짜

I would never  
be able to get  
used to this !

'You don't  
know  
anything !

He loves you, so  
he needs you away

Would you ever  
be able to understand  
such a love, bitch ?  
'You are a damned  
fool

Their friends really

like a spin for a Toot song !

How about  
baked ?

Umph..

I guess her reputation  
after was amazingly  
beautiful -

Does he let you go  
like this after all  
the accusations  
he created.

So he knew  
everything !

I don't know  
how pretty she  
was, but wish  
they were married  
for each other  
they were  
married.

Isky ?

Is there anything  
wrong with using  
that ?

Come down to Earth  
just in a while, will you ?  
After all, being able to  
see others' feelings should be  
valued !

Why are you reacting like this? I could see people's true shapes. What's so big about with seeing some strings now?

I guess it's good to be an idiot, huh.

What?

Since when were you able to see?

Let me think...

I think it was when he started to tell me about some strings of fate or whatever.

Have you heard about the strings of fate?

And that... was it.

So, you knew  
all along that  
he wasn't your  
boy?

well... not  
really.

I mean... if that  
string has absolute  
power -

You and I would have  
ended up together many  
years ago, right?

Then...

What was about the  
thrust man story ?

... what ?

Hey, I saw things  
around here!

Is that what  
you want?

I was just kidding!  
Forget about it!  
Kiss!

Thank, you --

Maybe I  
"You really just."

It's about  
time again --

I've not overcome  
my abilities.

They were  
eventually going  
to be together.

I didn't do anything  
against the flow  
of the nation.

Trust me.

Trust me.

if it were that simple  
i would follow you

But ...

Take it easy

You are  
becoming  
like your father  
who always  
worries

What about  
her as?

What ... did  
you do to her?

But ...

If you listened  
to me and did  
what i told  
you to do ...

*At least your mind  
would be in peace.*

I see ...  
This is what  
feels like to  
have gone  
through a  
revelation too !

There is ...  
nothing good  
after it !

Well, I am ~~not~~ going  
to have an affair or  
date a co-worker  
in the future !

Yeah, it only sounds  
like an affair !

I am  
sorry ...

I don't  
give up  
on her

What he said ... !  
It was that an affair !

So, why did you  
want to see me ?

I am sorry—  
really

You've said  
that to me  
several  
times !

I believe that one  
has to apologize  
until the other one  
is right away.

That is  
what I  
believe

It's not like  
I am apologizing  
to you in  
public.

So ...

Oh, okay ?  
How about  
this ?

"Simulation": Symbol  
of absolute loyalty

Of course  
you would feel  
that way

I just feel -  
complete

You are not half  
disappointed

Hold onto Han-Sa.

That was ...  
what I wanted  
to tell you

I am not  
going home  
at all

If there is a man  
for you by the power  
of the string of fate,  
that would be him.  
There is no one else.

Are you talking about  
the movie "Blue Island" ?  
"The man you love is  
right by you." was the line.

"Blue Island" ?  
— well,  
maybe.

It sounds so  
off to ... normal.

May I ask what  
is wrong with  
being normal ?

Often the most overburdened  
truth is in being normal.

That's so  
normal.

My  
God  
O  
G

With  
these days !

May you  
are still in  
Greece

Speak  
Greece

Anything  
about "There man  
for you"

I suggest you forget  
that name

Oh ?  
Cousin ?

Yeah, it's  
a pretty bad  
name

How come ?

*I think it worked.  
Like a magnet  
for you.*

*It made you want to  
break any guy's girl magnet.*

*I don't know why  
I seemed startled  
you like that feel...*

*Hmm, perhaps, whatever  
did this to you did so  
in order to make you  
interested in guys.*

*That could be seen  
as a positive effect.*

*but side effects  
may include  
whatever good  
effects it may  
have had.*

*And of all*

*ever that you were  
told that, you do  
understand enough  
that you need a guy  
if he is one of those  
men, don't you.*

*Here is what I think  
when you broke up  
with other guys, you  
probably thought that  
they weren't one of  
the nice men, and  
moved on, quickly.*

I think it's a curse  
because it made you to  
fail at relationships.  
It also made you unable  
to realize the purpose  
of relationships.

You are desperately looking  
for your three men and  
quick to jump others  
who you feel that they  
are not the promised ones.  
Am I wrong?  
In that case, it's  
a curse.

He was ... right on.

But...

"Wouldn't that fair.  
He is suddenly  
nothing like an  
angel?"

And what  
am I supposed  
to do now?!

That is hopeless

What ?!  
No way !

~ klay ~

You are a very  
useless driver  
Lucky that it  
didn't kill you.

It's not my fault !  
It was a road one.  
That's why !

Let's take  
nothing

We can  
share  
ghost

It's too cold  
to ride a  
motor

Bring it  
I dressed up  
for nothing !

Oh ?

Oh ~

...really fast, doesn't it?

I look good with  
this hair style,  
don't I?  
Don't I?

I do look a year  
older, don't I?

Actually,  
I rooted a  
hair salon  
yesterday =

...really fast, doesn't it?

...really fast, doesn't it?

Even the casual relationship with Hwa-In hasn't changed.

Why do I feel  
that you are  
missing the  
opportunity?

I don't know.

think of many  
people...

Yes...

It might be a  
better idea to  
be cold rather than  
clamped to death.

Perhaps...

Let's ride the subway

Come on.  
Come along  
please.

It's only five  
steps.

According to the  
"Please do not cross  
the yellow line."

Hey, how did you get there?

I... don't know

I was there when I realized

that.

Let's take off at the next stop

Okay

Oh, that is really  
your favorite  
spot, huh ?

There you  
are !

What ... what  
the hell are  
you talking  
about ?

Have you  
forgotten  
about me ?

Let go of  
me !

I didn't do  
anything !

What's  
going on ?

A sudden  
alarm ringing

Have you gone insane,  
brat? I  
am telling you that  
I am innocent!

Whatever,  
let's go to a  
police station.

Who do  
you know  
who I am, H?

아아아아아

He has  
feathers  
or wings.

He has a long  
history of working.

Angering that girl  
has taken up. She  
dragged him all the  
way here?

It's a guy...  
I think.

Oh?

Therapy? No, I mean, *just like a therapist*...

Anyway... I want to know more...

Thank you  
Sorry for thanking  
you now.

It was pretty  
chicken, so ...

Anyway, the detective  
will inform your school,  
so there is nothing to  
worry about.

I don't care  
about that.

Anyway, can't  
you look after  
your own job, dude?

Oh,?

You are making  
all the men in the  
world look bad.

Oh, the  
wrong...

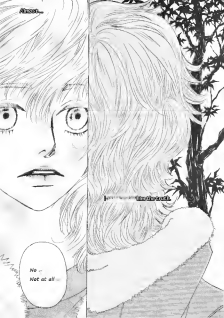

What did  
you say?

Stop,  
you two.

Are  
always  
meeting.

Do I look - that - revealing?

This is the end of Season 2.

Section 3 may have ended, but Katsuragi Daishō's story is not finished yet.

Oh, what happened  
to her, is?

What did you do  
to her?

You don't need  
to answer  
yourself—

Take it easy, too.

Still, readers should know, is -?

for life.

What happened  
to him?

He doesn't wake up

It's been like  
this ever since  
the accident.

It's as if he's  
sleeping .

He is not neither  
unconscious  
nor sleeping

His spirit ... is  
and whatever you  
may tell it it will  
have answers.

His string of  
fate has dried up  
his fate is done for

The only thing  
that is holding  
him in this world  
is her lingering  
attachment.

All I need to  
do is ...

Wait for her to  
get up ...

And yet, I have no  
schedule, to rush,  
not anyone

Kanagawa San,  
please bring her  
back to home  
in Japan. We can't  
see her mother in  
Kuma like that.

His parents  
have given up  
on him. There  
the only one left.

Even so,  
I am not going  
to rush ..

Not that time.  
I won't rush  
that time ..

\*\*\* Extra note for those who are not  
getting Father's plot.

\*\*\*\*\*

Although Father intended to destroy Han-Da  
and Han-Da's relationship because his life  
wasn't going the way he wanted.  
He could have broken up Hwan and Kinsung's  
relationship instead but since he loves Hwan so  
much, he couldn't do that even if it would hurt her.  
In contrast, Father had nothing to lose by breaking  
up Han-Da's strings, so he went for it aggressively.  
While Han-Da didn't do anything, Han-Da's mother  
saw Father as a potential threat and instantly left  
Hwan's husband and kicked Hwan's string with  
Father's. In doing so, Father got what he deeply wanted  
and stepped away from his plot to destroy Han-Da's  
life.

Then she showed Father's spirit and set him on the  
right path (Path of light or to spread).

What this tells you is that Han-Da's mother is an extremely extraordinary, powerful character.

## About the string of fate :

This concept exists in Asia society and it is associated with many various folklores. Initially, if you were raised in East Asia (China, Korea, and Japan), you would have been told about it at least once when you were a kid.

It differs a little by country, but the basic concept remains the same.

The string of fate is red and it looks like a cotton string.

A person (or soul) can have only one active string and - *may* - be connected to only one other soul simultaneously. (Cannot have two partners in other words)

## Witches (Or shamans)

There are some folklores involving old witches who are able to manipulate the string of fate. Although none of witches in folklores seems as powerful as Hui-Ge's mother. Generally, modifying the string of fate involves "payment" for changing one's fate. "Payment" is not money.
